# WHO WE ARE

With a robust active and growing membership of more than 300 public relations professionals, PRSA-LA functions as a regional division of the Public Relations Society of America (PRSA) and serves members within Los Angeles County. We are a network of communicators who share best practices, new insights, and trends, and support each other.

# PRSA-LA HALLMARK EVENTS & PROGRAMS

Throughout the year, PRSA-LA hosts a variety of events and programs designed to bring the most authoritative and interesting speakers for the benefit of our members.

## At Breakfast With...

Small, informal meetings at which practitioners can exchange information and ideas with reporters and editors of leading newspapers, wire services, radio and television networks, and other media outlets. Speakers have included editors of the *Los Angeles Times*, *The Wall Street Journal*, CNBC, KFWB, and *Access Hollywood*. Panels and workshops that include presentations by leaders in business, government, politics, nonprofit organizations, the media, the arts, and other fields. Membership events are also ideal for networking with other public relations professionals. In February 2024, ABW also hosted a tour to our local Telemundo 52/NBC4 Newsroom. Participants had an intimate conversation with news leaders from both stations, as well as a studio tour.

## The State of PR

PRSA-LA's annual The State of PR program is an engaging discussion that focuses on the dramatic changes happening in the area of news coverage, how the landscape is ever-changing, and the impact of these changes on the practice of public relations. We host this program with notable panelists and moderators who discuss the challenges in the PR world.

## Comms & Cocktails Social Hour

These one-hour in-person Mixers are open to all PR professionals (members and non-members) and PR service providers. They are great opportunities for PR professionals to network and to learn more about how PRSA-LA can help support their career and professional endeavors.

**TOP 5 PRSA CHAPTER NATIONWIDE**

## PRism

PRSA-LA's Annual PRism Award is the Los Angeles region's premier awards event recognizing excellence in public relations strategic campaigns, tactical programs, and professional merit. Award winners are selected by an independent panel of judges. During this elegant event, PRSA-LA also honors individuals who have made extraordinary contributions to the advancement of our profession or the community through the Joseph Roos Community Service Award.

## Quality Time with PR Minds

PRSA-LA Quality Time with PR Minds is an annual event that brings together professional volunteers and local nonprofits for one-on-one counseling. This is a great opportunity to give back to the organizations that make Los Angeles a great place to live and work, and is a unique event for collaboration and knowledge sharing. Participants gain valuable insight as they team up with other PR professionals and nonprofits for productive brainstorm sessions.

## Sunrise Honors

The Sunrise Honors event, going into the eighth annual celebration in 2026, is part of the PRSA-Los Angeles Chapter's mission to foster and support those who promote diversity and inclusion. The honorees are trailblazers on the front lines in and out of the board room. This prestigious award recognizes individuals who have demonstrated significant leadership and influence to advance diversity and inclusivity within their organization or industry.

## PRSSA Conference

A one-day event usually hosted at a campus, PRSSA Conference includes a light breakfast, lunch, and a series of informative talk presented by prominent speakers and activities specifically designed for PRSSA student chapters from most major colleges and universities.
